

Jazzin'

Kristine W

You can call your limo, wanna big accounts, hey, hey, hey
You can spend your cash in large amounts
It won't run out now baby, no matter what you buyYou're jazzin' with the big boyz, mama
Jazzin' with the big boyz, now
You're jazzin' with the big boyz, mama
You're jazzin' with the big boyz' nowYou can drape yourself in Cartier, yeah
Your account gets fatter day by day
And so the tabloids sayYou're jazzin' with the big boyz, mama
You're jazzin' with the big boyz, now
You're jazzin' with the big boyz, mama
You're rollin' with the fat cats, nowAin't no good in tellin' me
This isn't how you thought it would be
You made your bed, now won't you lie in it
Don't come cryin' to me, I won't give a shitJazzin' with the big boyz, now
You know she's rollin' with the fat cats, now
She's jazzin' with the big boyz, mama, mama, mama
She's jazzin' with the big boyz, nowDarlin', darlin', I know it can't be easy
Darlin', darlin' I know it can't be easyBaby, baby, baby, yeah
Your tears can't hide the pain
Of a little too much wine
And a little too much cocaineShe's jazzin', she's jazzin' with the big boyz, now
She's jazzin' with the big boyz, mama
She's rollin' with the fat cats, now
She's jazzin' with the big boyz, babyShe's rollin' with the fat cats, now
She's jazzin' with the big boyz, mama
She's jazzin' with the big cats, now
She's jazzin' with the big boyz, mama what I sayShe's rollin with the fat cats, now
She's jazzin' with the big boyz
Jazzin' with the big boyz, jazzin' with the big boyz
Jazzin' with the big boyz now
