

Til the Livin' End

[Dokken](#)

It's too late to tell me you're sorry
It's too late to walk out the door
Last time, last time you left broken hearted
Only to come back for more Oh, I'm not with you for love
Oh, you'll be back on your knees again Til the livin' end, when will it ever end
Til the livin' end, you know I can't wait
Can't wait, til the livin' end It was you that wanted affection
It was you and all of your lies
This time, this time I'm changing direction
Changing the look in your eyes Oh, I'm not with you for love
Oh, you'll be back on your knees again Til the livin' end, when will it ever end
Til the livin' end, you know I can't wait
Can't wait, til the livin' end Oh
Got no hope for the future
When you live in the past
Not gonna wait for tomorrow
Can't wait, til the livin' end Til the livin' end, when will it ever end
Til the livin' end, you know I can't wait
Can't wait, til the livin' end
Can't wait, til the livin' end
Can't wait, til the livin' end
Can't wait, til the livin' end
