Weeping Willow

The Verve

When morning breaks
We had our eyes and our lungs aching
Nothing's strange
It was in our hands
From six to ten

It slipped right out againThere'll be no better time
There'll be no better way

Increm be no better way

There'll be no better day to save me

Save me, yeah save me hope you see like I see

I hope you see what I see, yeah, yeah

I hope you feel like I feelAnd the world don't stop

There is no time for cracking up

Believe me friend

'Cause when freedom comes

I'll be long gone

You know it has to endThere'll be no better time

There'll be no better way

There'll be no better day to save me

Yeah save me, yeah save meI hope you see like I see, yeah, yeah

I hope you feel what I feel, yeah, yeah

Someone to stand beside meBeside me, beside me, beside me

Beside me, beside me, beside me

Beside me, beside meWeeping willow

The pills under my pillow

Weeping willow

The pills under my pillow

Weeping willow

The gun under your pillow

Weeping willow

Weeping willowBeside me

Yeah, beside me

Yeah, beside me

Yeah, beside me
