Watch My Back

Basecamp

V1.
Sweet as our slumber
Sharp like an ax
Can you remember
How good; what we hadYou can't tell me you don't mean to
And I can't act like this is right
The game we play has gotten oh so see through
But at the end of the day, what's one more night?Ch.
So I watch my back
Whenever you are not at my front
Brace for attack
Cuz I never really know what you want
But when the lights go down
It's a torture that I cannot resist
I should turn around
But I suppose I could stay if you insist.V2.
Comes faster than falling
And it leaves like a ghost
So lovely; so haunting
My poisonous hostYou can't tell me you don't love it
And I'd be lying if I said I mind
I could pretend that I am above it
But at the end of the day, what's one more time?BR.
I can play your fool
It's such a small price to pay
Let me break your rules
I promise you won't complain
