

# Dark Eyes

[Bob Dylan](#)

Oh, the gentlemen are talking and the midnight moon is on the riverside  
They're drinking up and walking and it is time for me to slide  
I live in another world where life and death are memorized  
Where the earth is strung with lover's pearls and all I see are dark eyes. A cock is crowing far away and another  
soldier's deep in prayer  
Some mother's child has gone astray, she can't find him anywhere  
But I hear another rum beating for the dead that rise  
Whom nature's beast fear as they come and all I see are dark eyes. They tell me to be discreet for all intended  
purposes  
They tell me revenge is sweet, I'm sure it is  
But I feel nothing for their game, where beauty goes unrecognized  
All I feel is heat and flame, and all I see are dark eyes. Oh, the French girl, she's in paradise and a drunken man  
is at the wheel  
Hunger pays a heavy prize to the falling god of speed and steel  
Oh, time is short and the days are sweet and passion rules the arrow that flies  
A million faces at my feet but all I see are dark eyes.
