

# Slacktivist

## Desaparecidos

Just "like" this and the problem is solved  
I want to start to kick back and get involved  
Everyone is selfless it's so much fun  
Donate a dollar with my coffee and save someone  
Calling all friends I loosely know  
We're a tight knit clique in the virtual  
Our purses are fat these kids are gaunt  
Every little bit helps a lot Never had conviction 'til I changed my mind  
Read we coexist in the drive-thru line  
Cleaning out my closet to make amends  
Send a Nike swoosh to an African  
Casinos stretched high in the Dubai sky  
All the oligarchs in the buffet line  
Cause everybody's starving  
for their piece of pie  
Seems impossible... but the dreamers say say... Come! Come On!  
There's so much to do we can get it done  
Come one, Come all!  
We are trending towards a cause The race is done  
The money's gone  
But you're living strong with your bracelet on All the parrots say say Come! Come On!  
You don't have to march  
you just click your thumb  
Come one, Come all!  
We are trending towards a cause
