Temptation Eyes

Blake Babies

He's got something that moves my soul
And he knows I'd love to love him
And he lets me down every time
Can't make him mine he's no one's loverTonight with me he'll be so inviting
I want him all for myselfOh temptation eyes looking through my, my, my soul
Temptation eyes, you got to love me, love me tonightJe voudrais aimer
Baise moi baby, baise moi baby
Baise moi baby okeyHis wild-eyed innocence is just a game
But just the same my head is spinnin'
He's got a way to keep me on his side
It's just a ride that's never endingTonight with me he'll be so exciting
I want him all for myselfOh temptation eyes looking through my, my, my soul
Temptation eyes, you got to love me, love me tonightLa vie est gaie quand tu m'aimesWith me he'll be so excited
I want him all for myselfOh temptation eyes looking through my, my, my, my soul
Temptation eyes, you got to love me, love me, love me tonightTemptation eyes looking through my, my, my soul
Temptation eyes, you got to love me, love meTemptation eyes looking through my, my, my, my, my soul
Temptation eyes, you got to love me, love me babyTemptation eyes looking through my, my, my soul
Temptation eyes, you got to love me tonight
