

Missin' You (Intro)

[Kenny Wesley](#)

I'm missin' you baby
Just call me, baby
I'll be right there by noon
I'm missin' you baby
Don't worry, honey
I'll take good care of you
Got me jumpin' inside how can this be
Early morn'... I've got you on my mind
You came in my life
Like a leaf into the autumn air
Both our hearts intertwined
Now I wait for the time
When your shadow covers mine
I'm standing in this empty place
It sighs for you... A blissful sweet rendezvous
I hear the knocks
I answer and there's no one there
Just my deep solitude
Is it real or my dream
That you've flown away from me?
Time can capture visions of the past
And has it way to kind of always make them last
So if I can grasp the hope of love before it fades...
It will not be erased
Babe, come fill this space
