

# Skin Ticket (Live Version)

## Slipknot

Zero and zero is nothing but zero  
Cancer and people conspire together  
Running and running and going forever  
Collected and sampled, starving for zero Come see my cage, built in my grain  
Come see my cage, built in my grain  
Come see my cage, built in my grain  
Come see my cage, built in my grain Minus the inside and minus the circle  
Inhabit the riddle and fill in the hovel  
Wherein and herein, between us and near us  
Zero and zero is nothing but zero Come see my cage, built in my grain  
Come see my cage, built in my grain  
Come see my cage, built in my grain  
Come see my cage, built in my grain
