

Final Warning (featuring Aaliyah) (Album Version)

Ginuwine

[Aaliyah]
Oh, who keeps calling you
Boy i ain't scared of you, no no
You see, I got your number
Tell me who you snuck and gave you number to[Ginuwine]
Ooh, your tripping now
Girl quit fussing now, naw
You can't go jumping to conclusions
It's ringing, but that doesn't mean I've been cheating does it[Chorus]
Not right now I'm busy
Call me in the morning, oh
Your telephones awful busy
They calling in the morning, oh
That was your final warning, don't call me in the morning Oooh[Aaliyah]
Ooh, who keeps bugging you
Or who's been loving you, tell me
"are you" are you "that somebody,"
Or is it you been loving on somebody else[Ginuwine]
Woo, what the hell you talking bout?
And could you put that finger down
I'm always gonna be the "same ol G"
Are you leaving or staying with me?
Tell me[Chorus][Aaliyah: Repeats]
So who keeps bugging you (tell me)
So who keeps bugging you (oh oh oh)
So who keeps bugging you (oh oh)
