

# Paint (Live In Sydney)

## Roxette

Paint me right I've got a hot chilly feeling I don't understand  
I've got to run through this minute like a hurricane  
I've got to tighten my wire from the sense to the soul  
I find my back to the wall when it's time to go  
I've got to know is that your heartbeat? Paint me right  
Can you feel the heat in me tonight?

Oh, I, I'm the pearl

Paint your love all over my world I get a love shock, electric from the touch of your hand  
I'm getting lost in the riddles of the modern man  
I've got it up down all around tied to the bone  
Hey there's a strange situation on the late nite show  
I've got to know is that your heartbeat? Paint me right  
Can you feel the heat in me tonight?

Oh, I, I'm the pearl

Paint your love all over my world Do it right

I can feel the woman in me tonight

Oh, I, I'm the pearl

Paint your love all over my world Paint me right

Can you feel the heat in me tonight?

Oh I, I can feel the heat in me Paint me right

Can you feel the heat in me tonight?

Oh, I, I'm the pearl

Paint your love all over my world Do it right

I can feel the woman in me tonight

Oh, I, I'm the pearl

Paint your love all over my world Paint your love all over my world

Paint your love all over my world

Paint your love all over my world
