

# Think of You

Usher

Oh yeah  
Sh de da de dup dem de dooAll the time I think of you  
Holding on to someone new  
Don't make me lose my mind  
Seems like I been here before  
Baby I can't take no more  
Of you trying to play me out babyI feel so strange thinking about you  
After all the wrong you've done to me  
I can't go on feeling like I do  
Cause my heart loves you  
I'm so confusedAll the time I think of you  
Holding on to someone new  
Don't make me lose my mind  
Seems like I been here before  
Baby I can't take no more  
Of you trying to play me out babyDon't waste my time  
Cause someone like me you'll never find  
I thought we had a good thing  
But I was wrong and now I must move onTo another love one that I can trust  
With my heart I know she'll never run away  
Just can't talk no more  
So I'm out the door  
Talk to me  
Why you wanna play love gamesAll the time I think of you  
Holding on to someone new  
Don't make me lose my mind  
Seems like I been here before  
Baby I can't take no more  
Of you trying to play me out babyAll the time I think of you  
Holding on to someone new  
Don't make me lose my mind  
Seems like I been here before  
Baby I can't take no more  
Of you trying to play me out babyTo another love one that I can trust  
With my heart I know she'll never run away  
Just can't talk no more  
So I'm out the door  
Talk to me  
Why you wanna play love gamesAll the time I think of you

Holding on to someone new  
Don't make me lose my mind  
Seems like I been here before  
Baby I can't take no more  
Of you trying to play me out baby All the time I think of you  
Holding on to someone new  
Don't make me lose my mind  
Seems like I been here before  
Baby I can't take no more  
Of you trying to play me out baby
