

Quiet World

You Say Party! We Say Die!

Go under, go under, go under, go under
Go under, go under, go under, go under
Go under, go under, go under, go under
Go under, go under, go under, go underDon't say goodbye, say good journey
Don't say goodbye, say good journey
Don't say goodbye, say good journey
Don't say goodbye, don't say goodbyeSay, say, say it to me
No, don't say it to me
Say, say, say it to me
No, don't say itSay, say, say it to me
No, don't say it to me
Say, say, say it to me
No, don't say itGo under, go under, go under, go under
Go under, go under, go under, go under
Go under, go under, go under, go under
Go under, go under, go now, go nowReach in and take me now
Reach in and take me now
Reach in and take me now
Reach in and take me nowThere is no one else, there is no one left
(Reach in and take me now)
There is no one else, there is no one left
(Reach in and take me now)There is no one else, there is no one left
(Reach in and take me now)
There is no one else, there is no one left
(Reach in and take me now)I can't describe this quiet world
I can't describe this quiet world
I can't describe this quiet world
I can't describe this quiet worldQuiet world, quiet world
Quiet world, quiet world
Quiet, quiet, quiet, quiet
