

She's Mine

Barrington Levy

Oh, loo, love, love Everyday I love her just a little bit more
Little bit more, little bit more
Everyday I love her just a little bit more
And she loves me the same
Yes, she loves me the same 'Cause my love, it's her love and her love is my love
Yes, she gives me loving at the right time
Day time, night time
Yes, she give me loving at the right time Everyday I love her just a little bit more
Little bit more, just a little bit more
Everyday I love her just a little bit more
And she loves me the same Every guy finds her on the street they say she's sweet
O, my baby, can I throw some flowers at your feet? She's young, fresh and green
And I like how she round at the seam
She's young, fresh and green
And I like how she round at the seam Everyday I love her just a little bit more
Little bit more, just a little bit more
Everyday I love her just a little bit more
And she loves me the same
Yes, she wants me, whoa, oh, whoa
She wants me, she wants me Everyday I love her just a little bit more
Little bit more, just a little bit more
Everyday I love her just a little bit more
And she loves me the same 'Cause she's young, fresh and green
And I like how she round at the seam
Young, fresh and green
And I like how she round at the seam Hands off, she's mine, mine o mine
Hands off, she's mine
Hands off, she's mine, mine o mine
Hands off, she's mine Everyday I love her just a little bit more
Little bit more, just a little bit more
Everyday I love her just a little bit more
And she loves me the same 'Cause my love is her love and her love is my love
Yes, she gives me loving at the right time
Summer time and winter time
Yes, she give me loving at the right time Everyday I love her just a little bit more
Little bit more, just a little bit more
Everyday I love her just a little bit more
And she loves me the same Oh, loo, love, love
Oh, loo, love, love Everyday she tell me that she wants me some more

Want me some more, she want me some more
Everyday she tell me that she want me some more
And I want her the same Oh, loo, love, love
She give me love that grows and grows Every time she walks the street
I stumble, umble, umble at her feet
I say, "Whoa baby, you look so sweet
You look like something can eat" She's young, fresh and green
And I like how she green at the seam
Young, fresh and green
And I like how she green at the seam Oh, loo, love, love
