

# Something in the Air

## Thunderclap Newman

Call out the instigators  
Because there's something in the air  
We've got to get together sooner or later  
Because the revolution's here, and you know it's right  
And you know that it's rightWe have got to get it together  
We have got to get it together nowLock up the streets and houses  
Because there's something in the air  
We've got to get together sooner or later  
Because the revolution's here, and you know it's right  
And you know that it's rightWe have got to get it together  
We have got to get it together nowHand out the arms and ammo  
We're going to blast our way through here  
We've got to get together sooner or later  
Because the revolution's here, and you know it's right  
And you know that it's rightWe have got to get it together  
We have got to get it together  
Now
