

# Hell No

Amanda Perez

Yeah ooh, hell no, hell no, hell no, hell no  
Oh, it's going down tonight, hell no  
Yeah yeah yeah yeah hell no Sat back and I watched you cry  
Throwing dat shit gotta stop  
Don't think I'm hurt 'coz in the back  
Of the 'Lac I find a female shirt You can run but you can't hide  
I know too much to hear those lies  
What I say gonna go  
If you ask me to leave I'mma say, Hell no Uh uh, hell no, you ain't taking the Benz  
You ain't chillin' at the club with none of your friends  
Uh uh, hell no, boy you think you slick  
Tryna go to the bar to go see that bitch Uh uh, hell no, I don't play no games  
What you doing right now, what you did back in the day  
Uh uh, hell no, I don't mess wit kids and  
If you don't like the way I am, it is what it is Can't give me respect better rip your grip  
Never talk back boy 'coz I'm your pimp  
Oh, you don't like that, you don't like when I fight back  
'Coz you can handle it, I can talk to dudes but you can talk to tricks Uh uh, hell no, you ain't taking the Benz  
You ain't chillin' at the club with none of your friends  
Uh uh, hell no, boy you think you slick  
Tryna go to the bar to go see that bitch Uh uh, hell no, I don't play no games  
What you doing right now, what you did back in the day  
Uh uh, hell no, I don't mess wit kids and  
If you don't like the way I am it is what it is Uh uh, hell no, you ain't taking the Benz  
You ain't chillin' at the club with none of your friends  
Uh uh, hell no, boy you think you slick  
Tryna go to the bar to go see that bitch Uh uh, hell no, I don't play no games  
What you doing right now what you did back in the day  
Uh uh, hell no, I don't mess wit kids  
And if you don't like the way I am, it is what it is You don't wanna test me  
Have to call the police to come arrest me, you know what the rest be  
I'll come to the crib and tear the door down  
Tell me who's da hoe now, tell me who runs the show now Everything that you got is 'cause I pay for you  
All the money that you have is 'cause I save for you  
Boy, I sit you on my couch like you's my son  
You don't wanna play with me boy I ain't the one Uh uh, hell no, you ain't taking the Benz  
You ain't chillin' at the club with none of your friends  
Uh uh, hell no, boy you think you slick  
Tryna go to the bar to go see that bitch Uh uh, hell no, I don't play no games

What you doing right now what you did back in the day  
Uh uh, hell no, I don't mess wit kids  
And if you don't like the way I am, it is what it is Uh uh, hell no, you ain't taking the Benz  
You ain't chillin' at the club with none of your friends  
Uh uh, hell no, boy you think you slick  
Tryna go to the bar to go see that bitch Uh uh, hell no, I don't play no games  
What you doing right now what you did back in the day  
Uh uh, hell no, I don't mess wit kids  
And if you don't like the way I am, it is what it is Uh uh, hell no, you ain't taking the Benz  
You ain't chillin' at the club with none of your friends  
Uh uh, hell no, boy you think you slick  
Tryna go to the bar to go see that bitch Uh uh, hell no, I don't play no games  
What you doing right now what you did back in the day  
Uh uh, hell no, I don't mess wit kids  
And if you don't like the way I am, it is what it is
