## Hell No

## **Amanda Perez**

Yeah ooh, hell no, hell no, hell no

Oh, it's going down tonight, hell no

Yeah yeah yeah hell noSat back and I watched you cry

Throwing dat shit gotta stop

Don't think I'm hurt 'coz in the back

Of the 'Lac I find a female shirtYou can run but you can't hide

I know to much to hear those lies

What I say gonna go

If you ask me to leave I'mma say, Hell noUh uh, hell no, you ain't taking the Benz

You ain't chillin' at the club with none of your friends

Uh uh, hell no, boy you think you slick

Tryna go to the bar to go see that bitchUh uh, hell no, I don't play no games

What you doing right now, what you did back in the day

Uh uh, hell no, I don't mess wit kids and

If you don't like the way I am, it is what it is Can't give me respect better rip your grip

Never talk back boy 'coz I'm your pimp

Oh, you don't like that, you don't like when I fight back

'Coz you can handle it, I can talk to dudes but you can talk to tricksUh uh, hell no, you ain't taking the Benz

You ain't chillin' at the club with none of your friends

Uh uh, hell no, boy you think you slick

Tryna go to the bar to go see that bitchUh uh, hell no, I don't play no games

What you doing right now, what you did back in the day

Uh uh, hell no, I don't mess wit kids and

If you don't like the way I am it is what it isUh uh, hell no, you ain't taking the Benz

You ain't chillin' at the club with none of your friends

Uh uh, hell no, boy you think you slick

Tryna go to the bar to go see that bitchUh uh, hell no, I don't play no games

What you doing right now what you did back in the day

Uh uh, hell no, I don't mess wit kids

And if you don't like the way I am, it is what it is You don't wanna test me

Have to call the police to come a arrest me, you know what the rest be

I'll come to the crib and tear the door down

Tell me who's da hoe now, tell me who runs the show nowEverything that you got is 'cause I pay for you

All the money that you have is 'cause I save for you

Boy, I sit you on my couch like you's my son

You don't wanna play with me boy I ain't the oneUh uh, hell no, you ain't taking the Benz

You ain't chillin' at the club with none of your friends

Uh uh, hell no, boy you think you slick

Tryna go to the bar to go see that bitchUh uh, hell no, I don't play no games

What you doing right now what you did back in the day
Uh uh, hell no, I don't mess wit kids

And if you don't like the way I am, it is what it isUh uh, hell no, you ain't taking the Benz You ain't chillin' at the club with none of your friends

Uh uh, hell no, boy you think you slick

Tryna go to the bar to go see that bitchUh uh, hell no, I don't play no games What you doing right now what you did back in the day

Uh uh, hell no, I don't mess wit kids

And if you don't like the way I am, it is what it isUh uh, hell no, you ain't taking the Benz You ain't chillin' at the club with none of your friends

Uh uh, hell no, boy you think you slick
Tryna go to the bar to go see that bitchUh uh, hell no, I don't play no games
What you doing right now what you did back in the day
Uh uh, hell no, I don't mess wit kids
And if you don't like the way I am, it is what it is
