Small Town Ways (Demo)

["Small Town Ways" by the BoDeans]

Â§ Hey! Â§
Â§ Â§
Â§ I'm just a poor boy running, don't have time to look back Â§
Â§ I'm riding down the lonesome railroad track Â§
Â§ There's nothing in my pockets and there's nothing much to say Â§
Â§ Every night and day, well that's a crying shame Â§
Â§ Well I'm riding the line and I'm feel alone Â§
Â§ Thinking about my baby left back at home Â§
Â§ There was nothing she could do, nothing she could say Â§
Â§ There was nothing big enough about those small town ways Â§
Â§ Â§

Â§ Yeah, we pull in the station and I jump from the train Â§
Â§ And all of those people make me jump back again Â§
Â§ Things are mighty different here in my small town Â§
Â§ It seems everywhere you look, there's people all around Â§
Â§ Oh, I remember one day in the factory Â§
Â§ Giving up the fight for the company Â§
Â§ There was nothing you could do, nothing you could say Â§
Â§ And nothing big enough about those small town ways Â§
Â§ Â§

Â§ Well running out every day Â§
Â§ Just running and don't look back no more, Whoa-hoa Â§
Â§ I keep thinking there's a way or something you were fighting for, whoa-hoa Â§
Â§ Â§

Â§ Well I walk around the corner to the grocery store Â§
Â§ I walked right in and I slammed the door Â§
Â§ Well the man at the counter starts to tremble and shake Â§
Â§ As he stares and my hands and my 38 Â§
Â§ Â§

Â§ Oh, I remember my daddy in the factory Â§
Â§ Giving up his life for the company Â§
Â§ There was nothing you could do, nothing you could say Â§
Â§ There was nothing big enough about those small town ways Â§
Â§ Those small town ways Â§

Â§ Those small town ways Â§
Â§ Those small town ways Â§
Â§ Those small town ways Â§
Â§ Â§
