

Electro Shock Faders

Hooverphonic

Long black dress
Hawaiian shirt
Kicking pair of trainers
Electro shock faders Guiding your voice through your veins
Sick of all this working
Longing for a sinking Long black dress
Hawaiian shirt
Kicking pair of trainers
Electro shock faders Guiding your voice through your veins
Sick of all this working
Longing for a sinking Ship that rules the bottom of the sea
A bottle as a prison not really my idea
Of a perfect environment it makes you see
Everything's a blur
Do you know what I mean Long black dress
Hawaiian shirt
Kicking pair of trainers
Electro shock faders Guiding your voice through your veins
Sick of all this working
Longing for a sinking Ship that rules the bottom of the sea
A bottle as a prison not really my idea
Of a perfect environment it makes you see
Everything's a blur
Do you know what I mean
