

# Fun for Me (Plankton's Pondlife)

## Moloko

I dreamt that I was dreaming  
I was wired to a clock  
Tickled by the minute hand  
Tick tock tick tick tock  
I dream I'm on a train  
And it is making music  
I don't remember getting on  
Clickity click clickity click  
I dreamt that I was very tall  
I was bigger than King Kong  
I heard the bells  
The bells are ringing  
A ding-dong a ding-dong  
I dream that I am sitting in the devil's company  
He gave a solemn promise  
Fe-fi-fo fun for me I dreamt that I was chasing the monster out of me  
I caught him in the corner  
Ha ha hee hee hee hee  
I dream I'm in a tunnel between here and now  
Scooby doobie where would you be?  
Bow-wow wow wow  
I dream I'm at a crossroads  
No place left to go  
I look in each direction  
Eenie meenie miny mo  
I dream that I am spying  
It's you I'm looking at  
There's a knocking at the window  
Rat-tat tat tat rat-tat tat  
I dream I am an ostrich  
Head deep in the sand  
There's a rhythm that's playing  
Fantastic elastic band I dreamt that the bogeyman went down on Mr. Spock  
Sugar was a flowing  
Sock it to 'em sock  
I dreamt I saw a moo cow jump across the moon  
Just a flight of fantasy  
Zoom zoom zoom  
I dreamt I met a spaceman

He took me to his ship  
You know he cut my hair off  
Snip snip snip  
I dreamt that I was sleeping  
Asleep for heaven's sake  
The dream that I was dreaming  
It caused me to awake Fe-fi-fo fun for me  
Fun for me  
Fe-fi-fo fun for me  
Fun for me I dreamt I was way up  
I was standing on the top  
With the feeling I was falling  
Bop beep bop  
I dreamt that I was jumping in a circus through a hoop  
Someone shut the lights off  
Shoo-be-doop  
I dreamt that I was fast  
I was never shutting up  
I was going in a hurry  
I was giddy-up giddy-up  
I dream I'm in the park  
I'm standing in the nudey  
I'm getting what I wanted  
Tootie fruity tootie fruity Fe-fi-fo fun for me  
Fun for me  
Fe-fi-fo fun for me  
Fun for me  
Fe-fi-fo fun for me  
Fun for me  
Fe-fi-fo fun for me  
Fun for me  
Fe-fi-fo fun for me  
Fun for me  
Fe-fi-fo fun for me  
Fun for me
