Red Sun

Jerry J Nixon

When the red sun sets
On the railroad town
And the bars begin to laugh
With the happy soundI'll still be here
Right by your side
They'll not be anyone
In my heart but youAnd the dreams that you're havin'
They won't let you down
If you just follow on
Cause you know where you're boundThe well will be flowing
And the words will come fast
When the one who's coming
Arrives here at lastOn the grassy hills
Of the railroad town
Where we cut through the fences
And over the crowdWhere wind was blowin'
Right through your hair
I dreamt that my momma
And daddy were thereAnd the dreams that you're havin'
They won't let you down
If you just follow on
Cause you know where you're boundThe well will be flowing
And the words will come fast
When the one who's coming
Arrives here at lastWhen the red sun sets
On the railroad town
And the bars begin to laugh
With the happy soundI'll still be here
Right by your side
They'll not be another
In my heart but you
