

Butterfly

Twin Peaks

Oh, it's such a butterfly feeling to have you for a friend
Oh, but somehow I get the feeling that I'll be lonely again And in a little while I'll be gone
And in a little while I'll be gone
It only takes a little while to get along
So come on baby give a smile and come on And when The Zombies started singing 'bout the season
You know your daddy got up to dance
And it wasn't for any other reason than the feeling is his corduroy pants
And in a little while daddy's gone
And in a little while, there goes mom It only takes a little while to get along
So come on baby give a smile and come on
And in a little while I'll be gone
And in a little while I'll be gone
It only takes a little while to get along
So come on baby give a smile and come on...
