Clueless

Billy Gilman

Hey, clueless, why you do you always do this?
Do I have to go through this with you again?
Cryin' on my shoulder whenever the nights grow colder
And you need more than another fair weather friendWill it end before sundown
Before the prettiest girl in this town
Runs away from a showdown
With me again(Look at me now)
Come on baby, you need a rock you can't toss out
When you're under the covers
You think you're so strong holdin' on to me now
You know why you come around
I'm the rock you can't toss outDon't kiss me, say you're gonna miss me
Then ditch me 'til you come back again
Don't touch me, tell me how much you love me
If you're not gonna love me like the world's gonna endMaybe I never told you
That I really want to hold you
And never wanted
To be just friends(Look at me now)
Come on baby, you need a rock you can't toss out
When you're under the covers
You think you're so strong holdin' on to me now
You know why you come around
I'm the rock you can't toss outWell, I know you want to see me
'Cause you're always at my door
Do you leave 'cause you're afraid
Of seeing something more?(Look at me now)
Come on baby, you need a rock you can't toss out
When you're under the covers
You think you're so strong holdin' on to me now
You know why you come around
(Look at me now)
I'm the rock you can't toss out, yeahYou think you're so strong holdin' on to me now
