

Bubble Guppies - Check-Up Song

Bubble Guppies

Well, the doctor says "hi come on in"
Your lookin real good how have you been
You've gotten so big and look so strong
See if you can dance to my check up song
Yeah stick out you tongue and say ahh
Stick out your tongue and say ahh
Stick out your tongue and say ahh
Do the check up
Well your lookin good
Your throat looks fine
Your tonsils and tongue have a health shine
Come on
Come on
Let's see what next
Where gonna check your leg for you knee reflex
Now kick out your leg like this
Now kick out your leg like this
Now kick out your leg like this
Come on and do the check up
Well your lookin good
That kick is strong
Should have no trouble dancing to the check up song
Keep movin and grovin yourself along
We're gonna check your weight
So where do you belong
Yeah get on the scale with a hop
Get on the scale with a hop
Get on the scale with a hop
Do the check up
Everybody say ahh
