Ektomorf - Set Me Free
Instinct It's The Land of the Hate
The Frustration is Growing
I loose Control, No Hope
Our Father in Heaven Look at me
See the Pain See The Suffer
I cant take this Anymore Set me Free
Set me Free
Set me Free
Set me Free Human Race it's a disgrace
Arrogant Fucking Fake
no Respect No Regret no Shame
Our Father in Heaven
Look at me, see my pain
Dont let me Feel this Pain Set me Free
Set me Free
Set me Free
Set me Free
