

# A Seed's a Star/Tree Medley

Stevie Wonder

We're a people black as is your night  
Born to spread Amma's eternal light  
Which since time began  
Has been to bring truth to every man  
Our ancestors have since long ago  
Passed their wisdom down so we to know  
For here lies the key  
That will help unfold the mystery  
A seed's a star  
A seed's a star's a seed  
A star's a seed  
A star's a seed's a star  
In myself I do contain  
The elements of sun and rain  
First a seed with roots that swell  
I gradually burst through my shell  
Pushing down into the ground  
The root of me is homeward bound  
A trunk, a leaf and there I am  
A miracle of least by far  
Tree - you are the longest living one we know  
the largest of all plants and still you grow  
Tree - within your branches there's such history  
so much of what we're searching for to know  
Every fifty years we celebrate  
Po Tolo, our star, as it rotates  
Though infinitely small  
It is still the heaviest of them all  
(Background) A seed's a star  
A seed's a star's a seed  
A star's a seed  
A star's a seed's a star  
A seed's a star  
A seed's a star's a seed  
A star's a seed  
A star's a seed's a star  
(Background-simultaneous) Ye Lolo De Ye  
Lolo Ye Kesse De Ye  
Kesse ye lolo De Ye  
Lolo Ye Kesse De Ye  
Kesse ye lolo De Ye  
Lolo Ye Kesse De Ye  
Kesse ye lolo De Ye  
Lolo Ye Kesse De Ye  
And some believe antennas are their leaves  
That spans beyond our galaxy  
They've been, they are and probably will be  
Who are the mediocrity
