Groovy Chick

Diesel Boy

and he said she looks beautiful like mariliyn monroe. now he can't get = her off his mind we could not believe it when he told us the news he = said i met this chick and she's real groovy. now he's pretty hung up he = sends her flowers at work he calls her every night he even missed a = patch show we never really thought that this could ever happen but it = seems that this is true he found a girlfriend he is really happy oh = baby, baby, i love you! now he doesn't masturbate like he used to he's = down to two or three times every other day he's late for practice again = he must be at her place she must be really nice or really fucking crazy
