Toy-Box

Chorus:
I'm a world wide web girl, in a world wide web world,
There is something I must confess,
I need a world wide web boy, with a world wide web toy,
This is my E-mail address...I'm a world wide web girl, in a world wide web world,
There is something I must confess,
I need a world wide web boy, with a world wide web toy,
This is my E-mail address...I'm chatting online, with a fantasy guy,
I'm putting my heart on the line,
I'm surfing the net, Hope to see what I'm getting,
It's only a matter of time.There's something going on all the time,
Something that I just can't define,
And when we are together online,
I wanna tell the world "I'm so happy that your mine!"Chorus:
I'm a world wide web girl, in a world wide web world,
There is something I must confess,
I need a world wide web boy, with a world wide web toy,
This is my E-mail address...World wide, la la la la la la
Web toy, la la la la la la
Dot com, la la la la la la
la la la la la laI'm missing him a lot, does he love me or not?
They say I'm losing my mind,
But tonight on I-mac, he was certainly back,
And he told me he'll always be mine,There's something going on all the time,
Something that I just can't define,
And when we are together online,
I wanna tell the world "I'm so happy that your mine!"Chorus:
I'm a world wide web girl, in a world wide web world,
There is something I, must confess,
I need a world wide web boy, with a world wide web toy,
This is my E-mail address...World wide, la la la la
Web toy, la la la la
Dot com, la la la la
la la la laDo you wanna have a good time, online?
Do you wanna good time, online?ooooooo wow
ooooooo wowChorus:
I'm a world wide web girl, in a world wide web world,
There is something I must confess,
I need a world wide web boy, with a world wide web toy,

This is my E-mail address...I'm a world wide web girl, in a world wide web world,
There is something i must confess,
I need a world wide web boy, with a world wide web toy,
This is my E-mail address...
