Where Is Love?

Oliver

[MRS. SOWEBERRY (spoken)]
Right then, Oliver Twist,
your bed's underneath the counter.
You don't mind sleeping
among coffins I suppose?
It don't much matter whether you do
or you don't cause you can't sleep
nowhere else![OLIVER]
Where is love?
Does it fall from skies above?
Is it underneath the willow tree
That I've been dreaming of?
Where is she?
Who I close my eyes to see?
Will I ever know the sweet hello
That's meant for only me?
Who can say where she may hide?
Must I travel far and wide?
'Til I am beside the someone who
I can mean something to ...
Where...?
Where is love?
Who can say where...she may hide?
Must I travel...far and wide?
'Til I am...beside the someone who
I can mean...something to...
Where?
Where is love?
