Come What May

Ewan McGregor

Never knew I could feel like this
Like I've never seen the sky before
I want to vanish inside your kiss
Every day I'm loving you more and more
Listen to my heart, can you hear it sings
Telling me to give you everything
Seasons may change, winter to spring
But I love you until the end of timeCome what may
Come what may
I will love you until my dying daySuddenly the world seems such a perfect place
Suddenly it moves with such a perfect grace
Suddenly my life doesn't seem such a waste
It all revolves around you
And there's no mountain too high
No river too wide
Sing out this song I'll be there by your side
Storm clouds may gather
And stars may collide
But I love you until the end of timeOh, come what may, come what may
I will love you, I will love you
Suddenly the world seems such a perfect place
