It Hurts Me Too

[Foghat](#)

You said you were hurtin'
You almost lost your mind
The man you love
He hurts you all the timeWhen things go wrong
Wrong with you
It hurts me tooHe loves another woman
But I love you
But you love him
I don't know what to doWhen things go wrong
Wrong with you
It hurts me tooYou love him more
When you should love him less
Why sneak up behind him
And take his mess?When things go wrong
Wrong with you
It hurts me too
It hurts me too
Play your heart outNow, he'd better leave you
Or you should put him down
I just can't stand
To see you pushed aroundWhen things go wrong
Wrong with you
It hurts me tooSo goodbye, baby
I've got to leave you now
I'm gonna pack my bags
And move on down the lineWhen things go wrong with you
When things go wrong
So wrong with youWhen things go wrong
Wrong with you
It hurts me too
It hurts me too
