New Song

Sublime

I heard that payback's a motherfuckin' bitch
But I won't stress and I won't switch
And I would not take my life
Glory please have God the only thing on my mind
Takes up all of my time and I said, "Ooh"Running from a gun or some brain that weighs a ton
And my God it hurts to get so low
Searchin' through the cars cold still searchin' through the night
I think I will run to you but I refuse to fuss and fightAnd God may find the reason well I'm sure you'll find a rhyme
Because it takes up nearly all my time
He who stands for freedom God knows I've got the number
But maybe I just use too muchI was sitting in that bar now I'm sittin' in that stolen car
Cold still rollin' down the boulevard
Thought you was clean on the microphone scene
Think I would run to you but I know I won't fit for me'Cause I know God's got both the reason and the rhyme
Please tell me why it takes up all my time
I've been drinking just like you
And baby you've got something I can usePayback's a mother fuckin' blast
But I won't stress and I won't blast
And I would not take my life
Glory please my God comin' from Heaven above
Takes up all of my time and I saidWhy must I feel like that?Running from a gun and some brain that weighs a ton
You know I bit that line from Flavor Flav
But all the D.J.'s do it, all the D.J's use itI would run, I would switch but I wanna be the same
And I know I'll find a reason 'cause I always bust a rhyme
Because it takes up nearly all my time"T" it stands for treason, the "D" it stands for dub
And maybe I just use too, maybe I'm just used too
And maybe I'm just use too much
