All Over Me

Graham Coxon

Hey, when we showered
And I fainted on the floor
I was free swimming in light
You were so scaredYou washed my hair
In bright red water
You really thought
I was deadI know why you make me so scared
You're all I can see
You speak and my hearing's impaired
You're all over meLate in your bed
You held my head for a while
Said goodnight and flew away
