

One Road Hill

[Rich Robinson](#)

I saw my saint, he fell away
The fall fell short he came back to me
Now it seems he's here to stay
On the one road hill I took today Feelin' good not, feelin' down
Watch me run, I never touch the ground
Feelin' good, not feelin' down
Watch me run, I never touch the ground
A pristine kiss, a luminous lift
An elemental plan that'll bring me peace
A pristine kiss, a luminous lift
An elemental plan that'll bring me peace
Here my love, I'll give you this
This part of me that was lost away
But now I'm here come back again
On the one road hill I took again Feelin' good not, feelin' down
Watch me run, I never touch the ground
Feelin' good, not feelin' down
Watch me run, I never touch the ground
A pristine kiss, a luminous lift
An elemental plan that'll bring me peace
A pristine kiss, a luminous lift
An elemental plan that'll bring me peace
Feelin' good not, feelin' down
Watch me run, I never touch the ground
Feelin' good, not feelin' down
Watch me run, I never touch the ground
A pristine kiss, a luminous lift
An elemental plan that'll bring me peace
A pristine kiss, a luminous lift
An elemental plan that'll bring me peace
