

# First Glimmer

Paul Westerberg

Do you remember me long ago  
Used to wear  
My heart on my sleeve  
I guess it still shows We watched  
The sun fall down  
And I hop on my bike  
Still that night You're my first glimmer of light  
You were my  
You was my first, glimmer of light And the leaves were burning up in the street  
I guess they tore that bridge out  
Where we used to meet  
And no one can see there You're my first glimmer of light  
You were my  
You was my first glimmer of light Wore my jacket  
And I wore your sweater  
Underneath the bridge  
Was an Indian summer  
Purple mascara  
Safety pins kickin' the dirt Took off your jacket  
Took off my sweater  
And we made a wish  
Things would never be better  
Train whistle blew  
My wish won't come, oh no You were the first glimmer of light  
You was my first glimmer of light  
You're my first glimmer of light  
You was my first, you was my first Wore my jacket  
And I wore your sweater  
Underneath the bridge  
Was an Indian summer  
Purple mascara  
Safety pins God did it hurt Took off my jacket  
Took off your sweater  
And we made a wish  
Things would never be better  
Train whistle blew  
And my wish came true You was my first glimmer of light  
You was my first glimmer of light  
You was my first glimmer of light

You was my first glimmer of light Oh, baby now

Yes you were

Yes you were

Yes you were

...
