

# Tryin'

## Lifehouse

Could you let down your hair  
Be transparent for a while  
Just a little while  
To see if your human after all  
Honesty is a hard attribute to find  
When we all want to seem like  
We've got it all figured out  
Well let me be the first  
To say that I don't have a clue  
I don't have all the answers  
And gonna I pretend like I do  
(Tryin' to find my way)  
Just tryin' to find my way  
(Tryin' to find my way)  
Tryin' to find my way the best that I know how  
(Tryin')  
Well I haven't memorized  
All of the cute things to say  
But I'm working on it  
Maybe I'll master this art from today  
If I'd I quote all the line off the top of my head

And you'd believe  
That I fully understand all these things I've read  
(Tryin' to find my way)  
I'm just tryin' to find my way  
Tryin' to find my way  
Trying to find my way the best that I know how  
(Tryin')  
Well, I haven't got it all  
Figured out quite yet  
But even if it takes my whole life  
To get to where I need to be  
And if I should fall  
To the bottom of the end  
I'll be one step back to you  
I'm tryin' to find my way  
Tryin' to find my way  
(Tryin' to find my way)

(Tryin' to find my way)  
Oh, I'm tryin' to find my way  
Tryin' to find my way
