Hero

Kutless

Who ever told you you canâ€™t win
Who ever said that if you fail donâ€™t try again
Itâ€™s in the ordinary
Deep in the weak and weary
The power to overcome the fear you're holding in

You could be a Hero
You could be the change in this world
Rise above the Normal
Donâ€™t have to be afraid any more
We are the light we are the hope
We are the love inside worth fighting for
You could be, you could be, you could be a hero

You donâ€™t have to look that hard to see
You donâ€™t have to reach that far to find someone in need
There is a desperation deep in this generation
Looking for something new a love they can believe

Love will even cross the ocean wide
Love will lose it all to save a life
Because of the love God gave youâ€™ll find
That you could be hero
