# Under The Same Sun

## Halcyon

I lie in your charms
Though it harms the best of me
And I lie on to my friends to them
No wonder why I wait for thee

And I hope like a child
Widow of the sea
I hold these arms around you
All's around me

Will you be there when the day's done
Will you be there
Under the same, under the same sun
Under the same, under the same sun

My yearn oughta turn these things
Turn these things around
I learned from you
Oh I made these plans, made these plans
With you around dear
With you around dear

Will you be there when the day's done
Will you be there
Under the same, under the same sun
Under the same, under the same sun

Will you be there when the day's done
Will you be there
Under the same, under the same sun
Under the same sun

(Will you be there when the day's done
Will you be there
Under the same, under the same sun)

Under the same sun
Under the same sun
Under the same sun
Under the same sun

Under the same sun
Under the same sun
Under the same sun
Under the same sun
Under the same sun
Under the same sun
Under the same sun
Under the same sun
Under the same sun
Under the same sun

Lalalala lovely as you are
