Givin' It Up for Your Love

[Delbert McClinton](#)

Givin' it up for your love, everything

Givin' it up for your love right now

I'm givin' it up for your love honey, everything

Givin' it up for your love some how, alrightMy heart is aching for you, I can't stand it

I need your love, am I so demanding?Givin' it up for your love, everything

Givin' it up for your love right now

I'm givin' it up for your love honey, everything

Givin' it up for your love some howWell I thought about it you know I'm not playing

You better listen to me every word I been saying

Hot is cold, what's cold is hot

I'm a little mixed up but I'll give it everything I've gotDon't want your money, don't need your car

I'm doing all right, doing all right so farI'm givin' it up for your love, everything

Givin' it up for your love right now

I'm givin' it up for your love honey, everything

I just givin' it up for your love some how, alrightI know you told me that you'd always love me

And I believed it was true, yeah

So I saved the best and I'm ready

My love only just for you, yeahWanted you to come back here, come back real quick

My body's aching, and my heart is feeling weak

I'll be alright, yeah I'll be okay

Come on baby, listen to what I sayI don't need your money baby, don't need your car

I'm doing all right, doing all right so farGivin' it up for your love, everything

Givin' it up for your love right now

I'm givin' it up for your love honey, everything

I'm givin' it up for your love some how
