

I'll Close My Eyes

Dinah Washington

Heaven sends
A song through its doors
Just as if it seems to know
I'm exclusively yours
Knowing this
I feel but one way
You will understand too
In these words that I say
I'll close my eyes
To everyone but you
And when I do
I'll see you standing there
Mmh, I'll lock my heart
To any other caress
I'll never say yes
To a new love affair
I'll close my eyes
To everything that's gay
If you're not there
To share each lovely day
And through the years
Those moments
When we're far apart
I close my eyes
Mmh, and see you with my heart
I'll close my eyes
To everything that's gay
But if you're not there
To share each lovely day
And through the years
Those moments
When we're far apart
I'll close my eyes
Oh, and see you with my heart
