

Dance The Pain Away

Benny Benassi

I'll take my time
Let the tears fall down
From my face
Wash the pain away
We're all speeding
Lost in this race
And my heart's in a hearse
Can we put it in reverse, babe Cause I can't even feel the drum and bass
It's drowned out by the beat my heart makes
I hear that song but something is wrong
My mind's a million miles away Ohh, Everybody's going to the floor
Maybe I don't want to dance anymore
Don't want to dance anymore
How can you dance the pain away
How can you dance the pain away
Oh dance the pain away
I can't dance the pain away
How can you dance the pain away
How can you dance the pain away
Oh dance the pain away
I can't dance the pain away Touch that dial
I'm changing the station
Cause I can't smile
Like everyone else
Play my sad song
In heavy rotation
I won't go out
I'm trying to save myself I can't even feel the drum and bass
It's drowned out by the beat my heart makes
I hear that song but something is wrong
My mind's a million miles away Ohh, Everybody's going to the floor
Maybe I don't want to dance anymore
Don't want to dance anymore
How can you dance the pain away
How can you dance the pain away
Oh dance the pain away
I can't dance the pain away
How can you dance the pain away
How can you dance the pain away

Oh dance the pain away
I can't dance the pain away I can't dance tonight
Oh everybody's movin but I'm tired
I can't dance tonight
I try to keep it movin but I but I but I can't dance the pain away
I can't dance the pain away
I can't dance the pain
