

Follow Me Down (feat. Neon Hitch)

3OH!3

Down [x5]
Take me, take me
Outta here it makes me
Feel so, feel so
Na na na na na
Baby, baby
Here we are all crazy
You don't have to worry
Na na na na na
So follow me down
(Where to?)
Outta this town
(With you)
Girl you're moving way too slow
So follow me down
(Which way?)
I'll show you around
(Okay)
There's a place we gotta go
Follow me, follow me
Fa la la la la [x2]
Oh ooh oh
Oh ooh oh
Oh ooh oh oh
Fa la la la la
Dancing, walking
Clock keeps on talking
They sing, they sing
Na na na na na
Gentlemen and ladies
Animals and babies
We sing, we sing
Na na na na na
So follow me down
(Where to?)
Outta this town
(With you)
Girl you're moving way too slow
So follow me down

(Which way?)
I'll show you around
(Okay)
There's a place we gotta go
Follow me, follow me
Fa la la la la [x2]
Oh ooh oh
Oh ooh oh
Oh ooh oh oh
Fa la la la la
Follow me, follow me
Fa la la la la [x2]
Oh ooh oh
Oh ooh oh
Oh ooh oh oh
Fa la la la la
Ah ah oh
Ah ah ah oh
Ah ah ah oh oh [x2]
Down, down
Down, down
Down, oh oh
Okay
Down, down
Down, down
Down, oh oh
Follow me, follow me
Fa la la la la [x2]
Oh ooh oh
Oh ooh oh
Oh ooh oh oh
Fa la la la la
Follow me, follow me
Fa la la la la [x2]
Oh ooh oh
Oh ooh oh
Oh ooh oh oh
Fa la la la la
