

Breath From Another

Esthero

You sure do got a pretty mouth
Why dont you drop my pants?
Ill make you squeal like a pig
Feet in the water is not cold enough
Youre not woman enough
Inside your daughter is not warm enough
And youre not woman enough, no
Dont compromise whats gold
For the soul you never sold
For the soul you never sold, no
So I follow you down this road
Well, you try but you cant let go
So hold on to years ago
Cold as a lover
Dont you wanna stay?
Breath from another
And Ill have my way
Inside your daughter
You can never hold what you cant let go
Cause he wants it so
Shed sell her own mother
Just to make a dime before closing time
When he tells her so
Dont compromise whats gold
For the soul you never sold
For the soul you never sold, no
So I follow you down this road
Will you drive? Well, you cant let go
So long, two years ago
She said she wanted me to hit it
But I said I wasnt with it
Eyes red, thighs spread, better come get it
While its hot the goods I got, never mind my bad credit
Told me how she was soaking wet and Im the one who wet it
Cant lie I sweat it but I knew that if I ran through
that
Its up the creek, Im headed
Body was there without nor sight nor vision still embedded
But I knew for fucking sure that in the morning Id regret it
Had to debt it, I jetted
He got me hooked til I was shooking in the middle of the game
Tearful eyes, touch my thighs, future high youll be my game
Could have kept it but I left it embedded instead of it dissecting me
Free spirit I feared it but steer it to clear it the stress in me
Possessing me, the chemistry, mother want me in the
ministry
Where misery influenced me corruption claiming custody
And I knew this time that I had to feel the pain

It was needed so Ill see what 'cause deception in this gameDont compromise whats gold

For the soul you never sold

For the soul you never sold, no

So I follow you down this road

Will you drive? Well, you cant let go

So hold on to years agoIll try to understand

When youre down on your knees in front of a man

Ill try to understand, no

Dont compromise whats gold

For the soul you never sold

For the soul you never sold, girl
