

Driveway Blues

Damone

I've been here all day
And thinking about you
And the things I need to change
And how I'll make this last forever
 But the more I crave
 The more I screw things up
 And push you far away from me
 And I don't think it's fair
 Now I have to go
 I'm working out
How to unchain the way I need you in my days
 So I can be without the pain
 And the more I train
The more you're on my mind... mindI never knew I'd feel this way
 About someone until you came
 So now I'm losing in my brain
 And the more I lose
 The more I want to die... die
