Neon Love

Claire

When the night is closing in
I want you by my side
All my fears were on display
When I lost myself in neon lightsHe took me to the roofs
Where we left far too soon
There's no time for sleeping nowHe took me to the roofs
He took me to the roofsWe both knew you had to leave
When the city starts to breathe
Even if those scars remain
I will lose myself in your neon eyes againHe took me to the roofs
Where we left far too soon
There's no time for sleeping now
He took me to the roofs
