

Glory Box (Bootleg)(Portishead cover)

Faith No More

I'm so tired of playing
Playing with this bow and arrow
Gonna give my heart away
Leave it to the other girls to play
For I've been a temptress too long Oh yeah
Give me a reason to love you
Give me a reason to be a woman
I just want to be a woman From this time unchained
Were all looking at a different picture
Through this new frame of mind
A thousand flowers could bloom
Move over and give us some room Oh yeah
Give me a reason to love you
Give me a reason to be a woman
I just want to be a woman So don't you stop being a man
Just take a little look from outside when you can
Sow a little a tenderness
No matter if you cry Oh yeah
Give me a reason to love you
Give me a reason to be a woman
I just want to be a woman (It's all I want to be, a woman)
So I just want to be a woman
For this is the beginning of forever and ever
It's time to move over now
(So I want to be)
