In the Pumpkin Patch

Scotti Mars

In The Pumpkin Patch
Walking through the pumpkin patch, a devilish scheme begins to hatch.
Better think twice or your fantasies will take over.
Many a time my thoughts have led, to put an ax right through your hed.
If I had the nerve, itâ€™d be over.
Right Hereâ€¦ Right here right nowâ€¦ Right here right nowâ€¦
I could think it over. Can I do it?
Am I mean enough? Man enough? Dogged enough for murder.
Am I mean enough? Man enough? Dogged enough to kill.
Am I mean enough? Man enough? Dogged enough for murder.
Am I mean enough? Man enough? Dogged enough to kill.
Right Hereâ€¦ Right here right nowâ€¦ Right here right nowâ€¦ In the Pumpkin Patch! Yeah!
Right Hereâ€¦ Right here right nowâ€¦ Right here right nowâ€¦ In the Pumpkin Patch! Yeah!
