30 Foot Fall

You look for love
Through eyes of strangers
Pitiful you go away
I think it's time to reconsider
In suspense you stayI think my mind is slippin'
Know I'm trippin' feels like
I am losing myselfI wish I held your live from dreaming
(Soul I wish I had life)
I wish I held your live from dreamingIn your mind
You're my puppet
I hope the strings give way
In confused depths of reality
I wonder if you'll stayI think my mind is slippin'
Know I'm trippin' feels like
I am losing myselfI wish I held your live from dreaming
(Soul I wish I had life)
I wish I held your live from dreaming
(Soul I wish I had life)
I wish I held your live from dreamingI own your dreams
In time you'll seeI think my mind is slippin'
Know I'm trippin' feels like
I am losing myselfI wish I held your live from dreaming
(Soul I wish I had life)
I wish I held your live from dreaming
(Soul I wish I had life)
I wish I held your live from dreamingGod damn I wish
I'm dreaming, dreaming
