Didn't You Know She's Gone

Phil Vassar

Said the cloud to the sun, "Today's no time to shine"
(Didn't you know she's gone?)
Said the rain to the moon, "You're not needed tonight"
(Didn't you know she's gone?)
"You can keep your magical moments, we don't need'em 'round here"
Didn't you know she's gone by now?
I thought you'd have figured it out
Can't you please forget her and just move on?
But, didn't you know she's gone?
Said the tear to the pillow, "Watch out I'm ready to fall"
(Didn't you know she's gone?)
Said the pillow to the tear, "That ain't gonna help at all"
(Didn't you know she's gone?)
"Why do you insist upon crying, what's the matter with you?"
Didn't you know she's gone by now?
I thought you'd have figured it out
Can't you please forget her and just move on?
Didn't you know she's gone?

Said myself to me, "Hey man, why can't you see?
She's history, she's gone and she ain't comin' back"
Said the mirror to the man, "Take a good look at yourself"
(Didn't you know she's gone?)
Said the man to the mirror "A few choice words to myself"
(Didn't you know she's gone?)
Talk about a revelation, right between the eyes
Didn't you know she's gone by now?
I thought you'd have figured it out
Can't you please forget her and just move on?
Oh, didn't you know she's gone by now?
I thought you'd have figured it out
Can't you please forget her and just move on?
Didn't you know she's gone?
Oh, didn't you know she's gone?
Oh, didn't you know she's gone?
