

Watching And Waiting

Moody Blues

Watching and waiting for a friend to play with
Why have I been alone so long
Monet is borrowing his way to the sunlight
He knows there's someone there so strong
'Cause here there's lots of room to do in
The things you've always been denied
Look and gather all you want to
There's no one here to stop you if you try
Soon you will see me 'cause I'll be all around you
But where I come from I can't tell

But don't be alarmed by my fields and my forests
They're here for only you to share
'Cause here there's lots of room to do in
The things you've always been denied
So look and gather all you want to
There's no one here to stop you if you try
Watching and waiting for someone to understand me
I hope it won't be very long
